 Kong? Godzilla is the strongest of all monsters.
 I think Godzilla is stronger than King Kong.
 What kind of movies do you like? I think
 they're more interesting than love stories.
 It's the most moving science fiction movie
 in the world. He comes from another planet.
 But his spaceship leaves without him. Then a
 boy finds him. Life becomes better for
 both of them. Together they have a wonderful
 time. One day they fly as high as a bird on
 Elliott's bike and go to a forest. E. F.
 sends many messages from there. E. F.'s space-
 ship gets them and comes back. E. F. and
 Elliott have to say goodbye. I'll be right
 here. Good friends stay in our minds
 forever. I like English the best of all
 subjects. Which do you like better, winter or
 summer? Who went to bed the earliest last
 night? You can cook better than Yumi. This
 book is more interesting than that one. What
 is the longest river in your country? What
 season do you like the best? This stone is
 lighter than that one. He has more cats
 than I. Studying English is more important
 than watching TV. Kenji likes fall better
 than spring. Who speaks English the best
 of the five? What is the most popular
 sport in America? Who came home the latest
 yesterday? Mike can't swim as fast as Ken.
 Yumi didn't walk as slowly as Mike. movie, strong
