I want to go to Australia.

Australia is a wonderful country!

I want to do many things there.

Many people live in Australia.

I want to go shopping.

I like Australia.

First, I want to meet a koara.

Koara is very cute.

I want to touch.

I want to talk with animals.

Second, I want to go to Ayers Rock.

I want to climb and say Yee ha.

I want to eat box lunch and I want to sleep there.

It's so big.

Third, I want to go to a river to enjoy rafting.

It's very popular in Australia now.

It looks fearful.

But I want to try that.

Well.....I want to go to Australia.

Finally, I want to be the translator.
