My name is Cool. I'm fourteen and I live in Korea.  
I like comics.

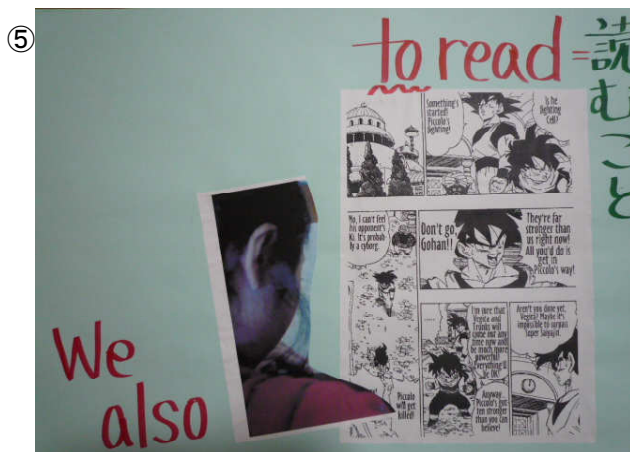

In Korea they're very popular.

Are they popular in your country, too?

Hi, Cool! I'm Lucky. I'm in the fifth grade.

We also like to read comics.

We have a manga club at school.  
Do you know the word manga?

I'm Sea. I'm seventeen and I live in China.  
I know the word *manga*.

It comes from the Japanese language.

In 2000 Hong Kong hosted  
the fourth Asian *Manga* Summit.

Many people got together  
to talk about *manga* culture.

I like *manga*.  
It can tell us about different cultures.

I hope to hear from you soon.
